RIVER HOME Driving Direction

Traveling either North or South on I-15:

1. Take **Exit 6** and travel north on **Bluff Street**. This means, if you are coming from the north you will turn right off of the exit ramp, if you are coming from the south you will turn left off the exit ramp.
2. Continue for only a few hundred yards until you arrive at the first major intersection with a light. There is a McDonald's at this intersection. At the intersection you will turn left (west) onto **Blackridge Drive**.
3. You will immediately encounter an intersection and light – continue straight through this intersection traveling on **Blackridge Drive** for about .07 mile until you encounter a stop sign – turn right at the stop sign onto **Hilton Drive**.
4. Continue on **Hilton Drive** and it will become **S. Dixie Drive** after only a few hundred yards. Drive through the first stoplight by the Maverick gas station. Continue through the next stoplight at 600 West, until you come to the stoplight at the corner of Dixie Drive and Valley View Drive. (There is a Sinclair gas station on the corner here).
5. Turn right onto Valley View Drive.
6. Continue straight on **S. Valley View Drive** for about a quarter mile, you will pass an LDS Church on the right. Watch for the entrance to the home on the right side of the road marked by a block wall and a large red rock with 431 engraved in it. If you cross the Santa Clara River bridge while traveling on **Valley View Dr.** you have gone too far and missed the entrance to the River Home. Turn around and watch for the entrance.
7. Turn right into the gated entrance and travel down the long driveway into the River Home.
8. Total distance from Bluff Street is about 3.5 miles.
